SUBJECT: Noncompetitive Appointment of Agency Employees
to Positions in the Competitive Service

1. I telephoned Mr. Harold Leich at the Civil Service Commission this afternoon and asked him whether he could tell me of any developments since [REDACTED] and I met with him and Mr. Berg concerning this Agency's interest in exploring an Executive Order similar to that which pertains to the employees of the Department of State.

2. Mr. Leich seemed not to recall just what had taken place since our meeting. He mentioned that "there have been so many other things going on." He said he would inquire of Stan (Mr. Berg) and get back in touch with me.
